About This Game

Get inside a particle accelerator and experience unbelievable speed previously reserved for only the most advanced laboratories on Earth! The Collider is a fast-paced and compelling arcade game that will put your reflexes to the test. Tune in with the energizing electronic music and beat your friends' high scores.

Game Features:

- 10 levels full of twisted obstacles
- Simple, intuitive controls that lets you accelerate to unbelievable speed
- Leaderboards – compete with your friends and beat their high scores
 - Elegant futuristic style
 - Energetic electronic soundtrack
- Steam Achievements to track your progress
 - Support for mouse and game pad
- Complete experience without limitations of a mobile game
